organized by

Biopharmaca Research Center
Bogor Agricultural University

in collaboration with

Introduction

Jamu is a traditional medicine heritage that has long been recognized in Indonesia. Effort to increase the utilization of Jamu in Indonesia has become national issue. Indonesian stakeholders launched Jamu Brand Indonesia and Gelar Kebangkitan Jamu in 2008. At the same time, the 1st Symposium on Temulawak was also held in Bogor, Indonesia since Temulawak is an icon for Indonesian Jamu. Jamu Scientification was launched in January 2010.

The 2nd International Symposium on Temulawak, will be conducted in conjunction with the 40th Meeting of National Working Group on Indonesian Medicinal Plant, workshop, Business Meeting, Jamu Festival, and Batik Design Competition to support Globalization of Jamu Brand Indonesia.
